

2010 SWIM ACROSS THE LAKE

The 13th annual “Swim Across the Lake” was held on Friday August 6th. It was a very successful event with forty two swimmers participating this year. All swimmers received a participation Frisbee, prizes donated by Coppetone and enjoyed the hot dogs and refreshments on the beach. The Swim raised \$1157.00 this year. Our expenses were zero because of the generous support from SACA (hot dogs, drinks and chips).

Although we were not able to offer swim lessons this year, it is looking very promising for next year. Carol Milligan and I have two young people who have tentatively agreed to teach swimming next summer. This is great news as I know that the swim lessons would be very popular and well attended. The lessons will likely occur towards the end of July and early August 2011. As Carol and I work out the details, we will provide you with more information (placed on both the SACA and the Milligan’s web sites)
